## Step 2: Confirm you have...

# 1

### Email Address

Make sure it's one you check often — your school email will probably be the best bet.

# 2

### Course ID

Your instructor will provide this.

**Your Course ID is:**  
**jaffey61604**

# 3

### Access Code

Either enter the code you purchased from the bookstore (packaged or alone), or have your credit card or PayPal account ready.

## Step 3: Enter your Course ID

Your Course ID is: **jaffey61604**

### Ready to register for MyLab or Mastering?

You'll need these 3 things to get started:

Your instructor's Course ID, which will link you directly into the right course. A Course ID looks something like this: professor12345. [Don't have a Course ID?](#)

Your email address

An access code, credit card, or PayPal

Enter your course ID, provided by your instructor

## Step 4: Sign in or create an account

On the next page, you will be asked to **create** a Pearson account or sign into an **existing** Pearson account.

- If you already have a Pearson Account (if you have used a Pearson product in one of your other courses), sign in with your Pearson account.
- If this is your first time registering for a Pearson product, click **Create** and fill out the necessary information.

The screenshot shows the Pearson website's registration and sign-in interface. At the top, the word "PEARSON" is displayed in white on a black background. Below this, the page is divided into two main sections. The left section is titled "Register" and contains a sub-section "Sign In with Your Pearson Account". This section includes a brief description: "Your account gives you access to your Pearson online courses and products." Below this are two input fields: "Username" with the placeholder text "Pearson username" and a "Box" icon, and "Password" with the placeholder text "Pearson password" and a "Box" icon. A "Sign In" button is positioned below the password field. At the bottom of this section is a link: "Forgot your username or password?". The right section is titled "Create a Pearson Account" and includes the text: "If you don't already have an account, create one." Below this is a blue "Create" button. At the bottom of the right section is a link: "Not sure if you have an account?".

# Step 5: Select your access option

## Option One: "Use an Access Code"

Choose this option if you **purchased your access code at the book store**, either on its own or packaged up with a print textbook or loose leaf text.

**Select an Option**

**Use an Access Code**

A prepaid access code might come with your textbook or in a separate kit.
